GOLLA INTERIOR DESIGN

RAHEL TEKLAY
CEO

hello, I am Rahel Teklay founder
and CEO of Golla design. a design
and build company

INTRODUCTION

Golla Design Group has been producing sophisticated, significant Architectural and interior design for our valued clients.

We specialized in a full-service interior design, which includes buying and installing art, custom furniture, and lighting. Our portfolio of completed projects includes both the building of brand-new homes and interior renovations for homes of all sizes.

We are dedicated to creating designs that convey the relationships between architecture and place, space and form, color and materials, economy and integrity, while also being responsive to the vision of our clients.

GOLLA INTERIOR DESIGN

OUR VALUE

Vision

Our Vision is to consistently surpass our clients' expectations.

to be the most visually appealing, creative, and financially successful supplier of specialized and customized communication solutions on the market.

GOLLA INTERIOR DESIGN

our most recent work, a G+3 residence design. it was difficult to design a building that had already begun, but we made every effort to create a high quality, contemporary home.

GOLLA INTERIOR DESIGN

The interior design of Burger and Beyond new branch, which is located Bole IN front of millennium hall, we created a cohesive and visually appealing room despite the wall's lack of coherence, which we regarded as a design opportunity.

our most recent work, for a small cafe interior design and finishing.

interior design that we do for Architectural office.

We design a minimalistic interior for a small cafeteria in Addis Ababa which is located Summit around Figga.

GOLLA INTERIOR DESIGN

We just completed a small roof-top bar design for the Sodere hotel. according to client desire. We make the area more aesthetically pleasing and useful.

GOLLA INTERIOR DESIGN

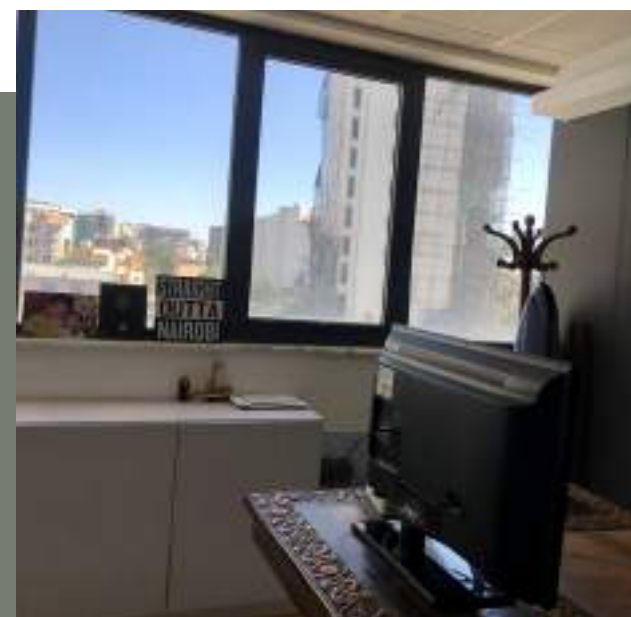

We renovated a G+4 apartment building, redesigning both the interior and exterior.

GOLLA INTERIOR DESIGN

We recently completed an interior design project for Addis Alemayew, Chairman of the Kazana Group. The design is finished, and we are working on the finishing touches.

CLIENT FEEDBACK

CLIENT 01

"The work of Golla Designers and their group was commendable. They truly took on the entire project, from architectural layouts to designing, then faithfully carrying out and accessorizing my house to effectively implementing its effect. The group had amazing attention to detail. Rahel and her team did a fantastic job bringing the interior of my house up to this level. I am so lucky to have a designer like her. Throughout the entire process, she was kind and understanding, never treating us like clients. Without a doubt, I will endorse her and her wonderful work! Unquestionably, follow Golla.

CLIENT 02

"Golla was our first choice for our Cafe renovation. We got a prompt response from them and got to work. Working with Golla Designers is a pleasure for us. They are extremely cost-effective, deadline-driven, and professional. The quality and designs have left us extremely pleased and satisfied!

CLIENT 03

"I am one of Golla Designers' satisfied clients. They are the most imaginative and skilled company for interior design. They gave my restaurant a luxurious appearance. It was a wise choice to work with a professional designer, and paying for their services is worthwhile. Choose Golla Designers without a second thought when it comes to interior design.
